California WIC APP Set-up Guide

Download the **FREE California WIC App** at the Google Play Store. You may need to sign in with Google.

STEP 1

Tap on top right corner to choose preferred language.

STEP 2

Tap to select language.

STEP 3

Tap Register on main screen and fill in registration fields. Tap **Register** at bottom to save.

Birth date Helpful Hint!

To easily input your birth date:

First, tap current year. From the drop-down, select your birth year.

Second, find your birth month and day.
